According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0572-0059. The time required to complete this information is estimated to an average of 6 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

No further benefits may be paid out under this program unless this report is cor	npleted and filed	d as required by existi	ing law and regulations	(7 U.S.C. et seq.)
